Quotation in advance
Configuration / Software installation

Yes* Immediate repair unless device is beyond economical repair**
 Yes No

Data, signature, company stamp

*In case of refusal of a quotation in advance we will charge you 62,- EUR excl. shipping costs and VAT per device.

**beyond economical repair is if the repair costs will exceed the cost of a new unit price.

Please do not ship consumable materials or accessories like batteries, antennas, cables, holsters, pens, SIM-/ memory cards, manuals or original packings. We cannot guarantee their return!

During repair process every device will be reset to factory defaults. All files on the device will be lost! Please backup your data before shipping. ICS is not responsible for lost files or configurations.
