INTELLIGENT COLLABORATIVE SOLUTIONS

Digital Transformation, Automation and Process Management – End-to-End

We design processes for manufacturers, retailers and service providers.

The ICS Group (ICS) is a leading solution provider for the digital transformation and automation of business processes in the supply chain.

We support medium-sized and large companies with analysis, consulting, conception, software, hardware, integration and managed services from one single source.

ICS realizes fast and reliable individual process optimization. Our specialists bundle components from product to IT operations management.

Five good reasons for the cooperation

- Over 35 years of expertise, across all industries
- More than 4,500 projects and rollouts
- Solutions for every business model
- Manufacturer-independent state-of-the-art technology
- DIN EN ISO 9001 certified processes

WE ARE THE SUPPLY CHAIN ARCHITECTS.
